# DISCOVERING SPAIN

“**DISCOVERING SPAIN**” is an immersive program that aims to facilitate your understanding and live the **Spanish language and culture**. This trip is focus on 2 pillars:

1. Experiment the **lifestyle** of one of the **most interesting cities in the world, Madrid**.
2. Gain a first **approach** to the **Spanish language** through an immersive course at one of the **most prestigious** Spanish language centers in the world (Complutense Center for Spanish)

The objective of this program is to provide a comprehensive understanding of Spain and the Spanish language, which can help you explore the potential opportunities that this language and country have to offer in the future. To achieve this goal, we have designed a range of cultural activities and excursions that are centered around our primary objective: an Immersive 40-hours Spanish Language Course.

Developed by the prestigious CCEE (Complutense Center for Spanish), this program offers personalized education tailored to your unique needs and requirements. As a non-native speaker, attaining proficiency in Spanish can greatly enhance your employability in Latin and US companies, making you an attractive candidate across more than 21 countries.

**Madrid is a vibrant city** with many cultural highlights that makes it an **excellent destination** for learning Spanish. The Prado Museum and the Royal Palace are must-see attractions showcasing Spanish art and history. Madrid's culinary scene is diverse, with a range of restaurants and historic markets like Mercado de San Miguel. The city also offers a lively theater scene and a famous nightlife with a wide variety of clubs, bars, and music venues catering to all preferences.

In conclusion, Madrid offers a **unique opportunity** to immerse oneself in the Spanish language and culture while discovering its many cultural attractions, making it a **memorable experience** for those who choose to study or visit there.
