In Madrid Soccer Camp, we offer our students a great variety of afternoon and night activities, sports and cultural visits, all supervised and coordinated by specialized staff. We include the following excursions and activities:

- **Madrid City Tour**, visit the most important monuments and streets of Madrid.
- **Visit to the Prado Museum**: is the main Spanish national art museum, located in central Madrid. It features one of the world's finest collections of European art, dating from the 12th century to the early 20th century, based on the former Spanish Royal Collection, and unquestionably the best single collection of Spanish art. Founded as a museum of paintings and sculpture in 1819, it also contains

important collections of other types of works. El Prado is one of the most visited sites in the world, and it is considered one of the greatest art museums in the world.

- **Santiago Bernabéu Stadium Tour**: Santiago Bernabéu is one of the most spectacular stadium in the world and most prestigious football venues. It has hosted the European Cup final on four occasions: in 1957, 1969, 1980, the UEFA Champions League Final in 2010. The final matches for the 1964 European Nations' Cup and the 1982 FIFA World Cup were also held at the Bernabéu.
- **Visit to Palacio Real**: is the official residence of the Spanish Royal Family at the city of Madrid, but it is only used for state ceremonies. King Felipe VI and the Royal Family do not reside in the palace, choosing instead the more modest Palacio de la Zarzuela on the outskirts of Madrid.

places of interest, such as the lake, the Glass Palace and the fountain of the Fallen Angel. Games.
